

Order your pre-planted flower pots and save 15% off regular season prices!

Available in three sizes. Pots can stand alone or slip-onto existing containers.

Order your pre-planted flower pots from James Valley Garden Center in March and enjoy beautiful fully established flower pots when it's time to bring them home in May. We plant them in lightweight round poly pots that can be easily inserted into ornamental pots or stand on their own. All pots will be professionally planted using your choice of colors and a mix of greenery suited for your area. Stop by or call for details.
